CHAIRMAN'S MESSAGE

Achieving success in any competitive examination depends on preparation & hard work. It's all about perseverance, aptitude, endurance, learning ability, managing time, strong internal motivational passion. Besides these entire factors expert's guidance also determine your success in any competitive exam. Keeping this in mind we have designed our coaching program in a scientific & systematic way to ensure success. Our courses and programs are systematically designed that develop both knowledge and problem solving skills. We have a strong team of experienced faculty members who are dedicated to build bright future of students. Supportive academic environment makes the learning easy & hence the students themselves put their maximum efforts that propels them towards success.

Responsibility

DIRECTOR'S MESSAGE

We would like to congratulate you on your resolution to become a successful Doctor from Kalpavriksha. Here you will have opportunities for gaining knowledge and success. We believe in shaping students for achieving grand success and standing with them in all circumstances. We are fully committed to provide all supports and personalized care to each and every student during the entire academic session. The systematic & scientific teaching methodology helps you to gain knowledge; simultaneously it also inculcates positive attitude, self belief and high level of confidence, which is essentially required to qualify in any competitive exam. This is also mandatory for all students to remain honest to themselves, to their parents & to the institution. This would automatically put them on the path of success.

Beginning

INTRODUCTION

Kalpavriksha is a well known name in the field of coaching institutes. It's growth rate has been faster than any other educational institute. With its tested & effective teaching methodology, dedicated & professional staff & exceptional learning environment it has achieved a distinguished image along with the trust of students & parents alike in a very short time span.

Kalpavriksha was founded in 2010 by Mr. Vijit Jain (B.Tech. IIT, Kharagpur) and his wife Mrs. Gitika Jain (B.E., SGSITS, Indore) to impart quality education for students. After the selection in

B.Tech from IIT Kharagpur, he was selected for IIM Indore, but having a keen interest in Physics, he preferred teaching physics rather than going for further studies. He achieved popularity among the students at Kota for his unique teaching style. His simplified teaching methodology & techniques, made physics simpler and more interesting. Mrs. Gitika Jain was among the toppers in SGSITS and qualify GATE for further studies. During her graduation, she started teaching Maths to JEE aspirants and further continued at Kota. Her skills of teaching is excellent and sufficient to make students comfortable in solving problems of Maths.

Kalpavriksha has adopted a motivational approach for teaching with the modern infrastructure, the best and qualified faculty team and the best teaching methodology. The institute has proved that hard work with right guidance takes you on the path of success and believes that effective guidance is the primary need of every student which creates motivation, courage and confidence to face all challenges.

So begin your journey to achieve your dream and make a successful career.

12 HOURS A DAY BRING SUCCESS ON YOUR WAY

When parents send their children to Indore or any other city for NEET preparation, they used to have a question in their mind that which institute would be the best for my child's career. Here, we proudly say that 'Kalpvriksha' is the solution for all such problems. Since many years it has gained the trust of parents and that is why it is called as a modern Gurukul for the preparation of competitive exams.

Limited Admissions Means Personal Attention

At Kalpvriksha, we do not raise the crowd of students by misguiding or offering them scholarships in fees like other coaching institutes, rather we restrict our self with limited admissions every year ensuring that every student should get full attention. This is the reason that the number of students succeeded in Kalpvriksha is much higher than the other institutes.

Teaching by Directors

Kalpvriksha do not have the tradition of paid faculty like other institutes, here students get training under the guidance of Directors. This is the reason why Kalpvriksha has not opened multiple branches in other cities rather it constrained to exclusive center in Indore only to keep all the monitoring under the eyes of directors. Due to this particular reason, excellent results had been came out so far. The institute has also derived a special teaching method, which in turn leads to the path of NEET for the students.

No Interruption in Studies by Mobile & City Glare

Parents used to get worried with the fact that while preparation in other city their child's focus will be lost in crowded atmosphere and city's glare. The schedule for the students at Kalpvriksha has been made so logically that mobile, social networking and other factors get automatically eliminated and students give their 100% on studies.

Daily Schedule Doesn't Allow to Deviate From The Target

Students come to Kalpvriksha from all the nook & corners of Madhya Pradesh but their parents have full confidence and no worries about their studies, because they know that their child is studying systematically for 12 hours daily in stress free environment at Kalpvriksha. The schedule starts from morning 8 and conclude at 8 at night under the close observation of cameras and invigilators where students stay within institute and study. Classroom study starts from 8 am to 1 pm. 3 hours are for self-study, 1.5 hours for test and 1.5 hours of test analysis and doubt solving session. This time table continues seven days a week.

UNIQUENESS OF KALPVRIKSHA

पालकों के मन में ये चिंता का विषय हो सकता है जब उन्हें NEET की तैयारी के लिए अपने पाल्य को इन्दौर या अन्य किसी शहर भेजना होता है, वहाँ के उपयुक्त संस्थान को लेकर उनके मन में हमेशा दुविधा होती है।

बड़े शहरों के कई कोचिंग संस्थान स्कॉलरशिप देकर प्रवेश तो दे देते हैं लेकिन सही प्रशिक्षण एवं देख-रेख के अभाव में प्रतिभावान विद्यार्थी भी भीड़ में खोकर रह जाते हैं। अधिकांश संस्थानों में तो सिर्फ 5 घंटे की क्लास (सप्ताह के 5 दिन) लगती है जिससे बाकी बचे हुए समय में विद्यार्थी के अपने लक्ष्य से भटक जाने का खतरा बना रहता है क्योंकि खाली समय में वे होस्टल, इंटरनेट, गपशप, शहर की चकाचौंध आदि में स्वयं को व्यस्त कर सकते हैं। जबकि कल्पवृक्ष में विद्यार्थियों को भटकाव से बचाने के लिए एक विशेष प्रशिक्षण पद्धति विकसित की गई है जिसमें विद्यार्थी अपना अधिक से अधिक समय संस्थान में ही व्यतीत करता है। यहाँ विद्यार्थियों को सप्ताह के सातों दिन प्रातः 8 बजे से रात्रि 8 बजे तक प्रशिक्षण दिया जाता है, जिसमें सुबह 8 बजे से दोपहर 1 बजे तक क्लासरूम टीचिंग, उसके बाद 3 घंटे की सेल्फ स्टडी, 1.5 घंटों का टेस्ट, 1.5 घंटे का टेस्ट एनालिसिस एवं डाउट सॉल्विंग सेशन का एक ऐसा अनुपातिक समावेश है जो विद्यार्थियों को सतत् अध्ययन हेतु प्रेरित करता है जिससे वे स्वतः ही सोशल नेटवर्किंग, सोशल गैदरिंग और मोबाइल इत्यादि से दूर होकर अपनी पढ़ाई में एकाग्रचित्त हो पाते हैं जिसके परिणामस्वरूप NEET में उनकी सफलता सुनिश्चित हो जाती है।

सफलता के केवल 3 मूलमंत्र है - निश्चय, परिश्रम और आत्मविश्वास।

प्रतियोगी परीक्षाओं में सफलता प्राप्त करने के लिए दृढ़ निश्चय और कठोर परिश्रम तो आवश्यक है ही, साथ ही कुशल मार्गदर्शक और प्रशिक्षण पद्धति का भी महत्वपूर्ण योगदान होता है।

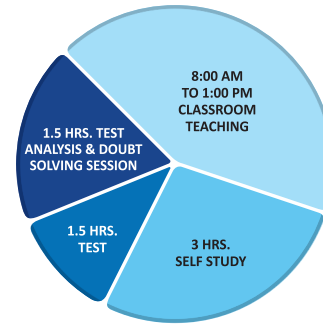

कई वर्षों के अनुभव और परिणामपरक शिक्षण पद्धति के आधार पर 'कल्पवृक्ष' आज इंजीनियरिंग एवं मेडिकल प्रतियोगी परीक्षाओं में सफलता के पर्याय के रूप में स्थापित हो चुका है।

वर्षों से कई विद्यार्थी कल्पवृक्ष से प्रशिक्षण प्राप्त कर IIT-JEE और NEET परीक्षाओं में सफलता अर्जित करते रहे हैं। कल्पवृक्ष की विशिष्ट शिक्षण पद्धति के कारण सफलता की यह परंपरा अधिकाधिक संख्या में निरंतर रूप से जारी है।

कल्पवृक्ष में सीमित संख्या में विद्यार्थियों को प्रवेश दिया जाता है ताकि प्रत्येक विद्यार्थी पर विशेष ध्यान दिया जा सके। प्रतिदिन प्रातः 8.00 से रात्रि 8.00 तक अपनी अनुभवी शिक्षकों की टीम के साथ डायरेक्टर्स स्वयं विद्यार्थियों को प्रशिक्षण देते हैं जिस कारण से विद्यार्थियों के लिए सफलता की राह आसान हो जाती है।

कल्पवृक्ष की इस विशिष्ट शिक्षण पद्धति में प्रतिदिन 12 घंटे, यानि सप्ताह के सातों दिन तनाव मुक्त प्रशिक्षण दिया जाता है जिस कारण विद्यार्थी स्वतः ही मोबाइल एवं सिटी लाइफ जैसे व्यवधानों से दूर हो जाता है और एकाग्रचित्त होकर अपनी तैयारी करता है। गीता भवन, इंदौर पर स्थित कल्पवृक्ष केवल एक ही सेंटर होने से स्वयं डायरेक्टर्स यहाँ सुबह 8.00 से रात्रि 8.00 तक उपस्थित रहते हैं एवं सक्रिय रूप से विद्यार्थियों की शैक्षणिक गतिविधियों पर पूरा ध्यान रखते हैं। प्रतिदिन 12 घंटों का यह प्रशिक्षण IIT-JEE एवं NEET के विद्यार्थियों के लिए लाभदायक सिद्ध होता है और वे सफलता की ओर अग्रसर होते हैं।

OUR 12 HOURS SCHEDULE FOR NEET PREPARATION

MUST READ FOR PARENTS & STUDENTS

वर्तमान में एक मेडिकल स्टूडेंट की मुख्य समस्या यह है कि विद्यार्थी यह नहीं जानता कि कौन सी पाठ्य सामग्री कितने समय तक पढ़ी जाए। कल्पवृक्ष में प्रत्येक स्टूडेंट का प्रातः 8:00 बजे से रात्रि 8:00 बजे तक Schedule well Planned होता है जिसमें Lecture, Daily Test, Analysis तथा Doubt Clearing Session का ऐसा अनुपातिक समावेश होता है जिसके फलस्वरूप स्टूडेंट पूरे Concentration के साथ अपनी स्टडी पर फोकस कर पाता है।
